

Frankfort Park District Men's 12" Softball League Rules and Regulations

League Entry – Rosters

- The Men's 12" Softball League will consist of two divisions. Division I will play on Tuesday evenings beginning May 17 and Division II will play on Wednesday evenings beginning May 18 with game times at 6:30, 7:30, 8:30 or 9:30 p.m.
- Each team must have a designated Captain or Manager who shall act as the team representative at meetings and be in communication with the league director.
- Managers shall be notified through the Park District Office of any league meetings that require a team representative and that will affect their entry or status in the league.
- League entry fee is \$700 per team (resident) or \$750 (non resident). This fee includes a \$50 refundable forfeit deposit. If your team does not forfeit any games during the season this money will be refunded to you.
- Rosters **MUST** be submitted no later than June 10, 2011, however, individual players may sign the roster any time prior to their participation in league games.
- All players must be 18 years of age or older to participate in the league and no player may participate on more than one team per night.
- Rosters are limited to a maximum of twenty players. Players may be added to a team at the League Directors discretion. **Home Team provides the Game Ball!!**

Schedule

- League play will consist of a 14 game season for each team. Make-up games may be scheduled by the League Director using alternate nights.

Inclement Weather

- In the event of threatening or inclement weather during the day captain's should call the **Frankfort Park District Field Condition Hotline at 630-684-4250 after 4:00 p.m.** The recorded message will inform you on game status. If the first game is rained out the entire night is rained out.
- If the fields are playable prior to game time teams must show up to play. Field conditions are then subject to the umpire's judgment. This year we will also be using a lightning prediction system and the included Severe Weather Warning Procedures must be followed when the system's horn sounds.

Forfeit – Safeguard

- A forfeit grace time shall apply for the 6:30 game only. Ten minutes will be allowed for the scheduled teams to field the minimum of nine roster players to begin the game.
- After the grace period if a team cannot field the minimum of nine roster players to start the game then that team shall forfeit to the opposing team by a score of 7-0.
- If both scheduled teams fail to field a team after the grace period then both teams shall forfeit with a score of 0-0 and both teams will receive a loss.
- If a team forfeits any game without three days prior notice they will lose \$25 of their original forfeit deposit to the Park District.

- If a team forfeits more than two games in a season that team could be removed from further participation in league and tournament play and each opponent scheduled to play that team will receive a 7-0 win for that game.
- Safeguard Rule: Any player ejected from a game because of harassment, abusive language, or demonstrative actions toward a player, spectator or umpire could be suspended for his teams next scheduled game. If a player is ejected for a second time then he will be removed from the team's roster and may no longer participate in league or tournament play.

Standings – Tournament

- Regular season standings and champion will be decided on by the team's win/loss record. If two teams have the same win/loss record then head-to-head competition is used to determine the winner. If the two teams split in their head-to-head competition then the team with the biggest run differential head-to-head will be the winner. If still tied, then the least amount of runs giving up during the regular season (14 games) will decide the tie breaker. All placement ties will be decided on this basis.
- Teams who finish in the top four places in Division I will face the top four teams from Division II in a end of the season eight team single elimination tournament. The tournament will be played after the last week of game play, Tuesday and Wednesday night.

Awards

- First place in each division will receive \$350 and second place in each division will receive \$250 for regular season play.
- There will be a trophy awarded to the 1st place team in the end of the season tournament.

Rules and Regulations

- Protests: A \$25 fee must accompany any protest filed on the appropriate protest form complete with essential facts for the protests. All protest rulings by the rules committee are final and the protest may not be appealed for further action.
- Batters will enter the batter's box with a one ball one strike count and foul balls will be counted as strikes (i.e.: Two foul balls in the same at bat will be a strikeout).
- There will be a seventy-minute time limit for all regular season games. (But no ties)
- Metal cleats are not allowed. Any individual wearing metal cleats must change shoes to continue playing.
- A runner may slide into any base, however any intentional collisions will result in an out for the runner and possible ejection from the game.
- No leading off or stealing is allowed. Base runners may not leave the base until the pitch crosses home plate.
- A courtesy runner may be allowed for an injured player. The person making the previous out can be used as the runner.
- No bunting is allowed.

- A run rule will apply and the game will be declared over when one team is leading by twenty or more runs after three complete innings or twelve or more runs after five complete innings.
- Teams will be allowed to use two extra hitters (E.H.) in the batting order.
- Pitching: One of the pitchers feet must remain in contact with the pitching rubber until the ball is released. Pitching arc will stay between a six-foot minimum and a ten-foot maximum. Pitchers must pitch underhand.
- Managers must keep game records, and scores must be put into the drop box directly behind home plate right after the completion of their game, with Umpires Signature.
- Ground rules should be addressed by the umpires and both team Captain's prior to the start of each game.
- The official most current N.S.A. rulebook will be used to govern play. Should a discrepancy arise between the "Park District Rules" (other than the modifications specifically sited) and the N.S.A. rulebook, **the N.S.A. interpretation will be used.**
- Any rule or regulation is subject to change at the discretion of the Frankfort Park District Staff including the Athletic Supervisor administering the program, the programs on site supervisor and umpires.
- Teams will be allowed to play with nine players but they will take an out for the 10th batting position. If the 10th player shows up after the game has begun the team is allowed to place him in the line-up batting 10th position. Teams playing a short handed team will not be allowed to walk the 9th batter and take the 10th position out with two outs. If the 9th batter is walked then there is no 10th position out and the 1st batter is up. With less than two outs the 9th batter can walk and the short-handed team must take the 10th position out.
- **Teams are allowed 3 Home Runs per Game.** Any subsequent Home Runs will result in an Out!

Any comments or questions should be directed to the League Supervisor Scott Tierney at 815-469-9400. Have Fun, Play Safe and Enjoy the Season!!
