

**Frankfort Park District
Prairie Care Technology Contract**

Technology Day is scheduled on **Thursdays** at Prairie Care. The Frankfort Park District Prairie Care staff would like your child to have an enjoyable and safe experience on this special day. Thus, all participants must understand and follow the Prairie Care guidelines and rules for technology use. These guidelines and expectations are in place to ensure the safety of your child and other participants in the program. Please review the following rules regarding technology use at Prairie Care.

- All devices that are brought to Prairie Care should have cellular data turned off.
- Access to the internet is not allowed (The school district Wi-Fi is password protected and will not be accessible to participants).
- Age appropriate **E rated** games only are allowed to be played at Prairie Care. **No videos or music.**
- Texting, taking photos or Snapchat will **NOT** be allowed.
- Children are responsible for keeping track of their own devices. Staff is not responsible for lost, stolen or damaged items.
- Parents are responsible for checking the devices, to ensure their child's devices are set up properly in regard to the above guidelines.

If participants are caught violating the rules for technology use at Prairie Care, their devices will be taken away until parents arrive for pick up. Should a participant choose not to follow any of these guidelines, they will not be able to participate in Technology Day for the rest of the school year.

I have reviewed the Technology contract with my child and understand that if the rules regarding the use of technology devices are not followed as stated above, your child will not be able to participate for the rest of the year. Furthermore the parent and child must have the form signed in order to participate on Technology Day.
