## Summer Camp Program Update COVID-19 Response

March 2021

Dear Parents,

The goal of the Frankfort Park District's Summer Day Camp program is to provide a safe and quality environment for participants who need childcare. For the 2021 Day Camp Program, the Frankfort Park District has been given the challenging task of creating a summer program while maintaining the safety guidelines provided by local government and health officials, including the Illinois Department of Health Professionals and the Center for Disease Control.

To ensure the quality of the programs, including safety and staffing needs, it is necessary for the Park District to make changes to the day camp program. The traditional program, including swimming and certain field trips, may not be allowed due to safety guidelines put in place. As complicated as this process will be, we are prepared to make adaptations to our day camp program to help meet the needs of our working community.

The changes being made are needed to ensure the day camp program is following safety guidelines in accordance with the CDC and the IDPH. We will need help from Parents/Guardians to make sure these procedures are being met.

### **Safety Guidelines for Day Camp 2021:**

#### **Arrival/Departure Procedures:**

- Before arrival, parents must do a health screening on their own child and be on the alert for any symptoms (fever, cough, shortness of breath, etc.) and keep children home if showing signs of COVID-19. Please take child's temperature daily. Staff members will also conduct their own screening.
- Staff will greet children outside as they arrive while keeping a 6-foot distance.
  - Parents/Guardian and other guests will not be allowed in the building, unless there is an emergency.
  - A designated staff member will walk children to their camp area, and at the end of the day, walk them back to their cars.
  - Staff should discourage congregation at arrival/pick up.
- If possible, the same parent or designated person should drop off and pick up their child every day. Avoid designating those at high risk such as elderly grandparents who are over 65 years of age.
- Campers will need to bring their own hand sanitizer. Hand sanitizer will also be available at the entrance of the facility. Staff will provide guidance for the use of hand sanitizer (containing 60% alcohol) upon arrival and departure each day. Hand washing with soap and water as well as the use of hand sanitizer will be practiced frequently throughout the day.

**It is important for families to self-monitor campers prior to attending camp. Please have your child stay home under the following conditions:**

- If campers are sick.
- A temperature of 100.4°F or above will not be allowed at camp
- Signs or symptoms of a respiratory infection, such as a cough, shortness of breath, sore throat, and low-grade fever;
- In the previous 14 days has had contact with someone with a confirmed diagnosis of COVID-19; is under investigation for COVID-19; or is ill with a respiratory illness

## Summer Camp Program Update COVID-19 Response

March 2021

### COVID-19 Safety Procedures & Guidance:

- Space for children will be structured in a way that allows for social distancing guidelines. Campers will be divided into groups of 10 having the same group of children stay with the same staff. There will be no mixing between groups. Each group of 15 will stay together throughout the day. Siblings will be kept together in the same group.
- Masks must be worn by campers and staff when social distancing is not possible. Parents will have to provide their children with a clean mask daily. **If a child forgets their face mask, a disposable mask will be provided by staff.**
- Campers and staff will be expected to wash their hands or use hand sanitizer before and after each game or activity. Staff will continuously reinforce proper hand washing, use of hand sanitizer and covering coughs and sneezes with campers.
- Social distancing will be encouraged when possible (6-feet apart). Campers and staff will refrain from hand shaking, touching or hugging.
- Camp staff will be cleaning and sanitizing camp areas frequently including tables, countertop surfaces, toys, games, door handles, etc.
- Campers who are not feeling well during camp, will be quarantined in a designated area and must be picked up from camp immediately. Parents should be available to pick up in a timely manner.
- Field Trips will be considered and decided as we get more clarification on what would be deemed appropriate by IDPH. New information on activities will be given on a later date.
- Your child should bring **spray sunscreen** to camp instead of lotion, if assistance is needed with application.

#### **Please Note:**

- ❖ ***We recommend that children with underlying health conditions (asthma, allergies, autoimmune disorders, etc.) consult their family physician before entering camp.***

### Day Camp Activities:

- Camp activities will consist of weekly themes (*Summer Kick Off, Great Outdoors, Superheroes, Under the Sea, Holiday Fun, Weird Science & Campers Got Talent*). Each day will include arts & crafts, group games, virtual tours, walking excursions, etc.

The Frankfort Park District looks forward to providing a safe and fun environment for your child. We realize the risks that are involved as should any participant signing up for the Day Camp Program. The guidelines set by local health officials will be taken seriously and we will continue to follow those guidelines and communicate any changes to the parents.

Sincerely,

Kristen Morrison

### **SUNSCREEN POLICY**

- Due to allergies, Day Camp does not provide any type of sunscreen for campers.
- Apply sunscreen to your campers every day prior to camp.
- Send additional sunscreen with your camper's name on it.
- We will remind campers to apply sunscreen throughout the day.
- Assistance in applying sunscreen will be provided if students provide the spray style sunscreen.

### **EMERGENCY MEDICAL & HEALTH POLICY**

Day Camp will always try to provide a safe environment for your children, but occasionally a child may get hurt or injured. In the event of such an occurrence, Day Camp will follow the procedure below:

- A. A call will be made to inform you of the situation. If you cannot be reached, we will call the emergency numbers that you have provided.
- B. Medical paramedics will be called to handle any serious accidents.
- C. If your child needs medical care, we accompany them to the nearest facility.
- D. You must meet us at the medical facility as soon as possible.

If your child is ill or has a fever (100.4°F or above), please do not bring them to camp. Please do not send a camper who has any of the following the morning of camp: fever, diarrhea, vomiting, runny nose, pink eye, etc. If we are made aware of a contagious disease that was brought to camp, such as chicken pox, strep throat, lice or pink eye, we will notify you as soon as possible and we will respect your confidentiality in reporting the illness. Please keep in mind, a signed doctor's note will be required for a camper to return to camp if they were out due to a contagious disease/illness.

If a child becomes ill during camp, a parent will be notified and asked to pick up the child immediately. If a parent is unavailable, the emergency contact will be called. **Children who are not feeling well during camp, will be quarantined in a designated area and must be picked up from camp immediately. Parents should be available to pick up their child in a timely manner.**

**PLEASE BE ADVISED:** In the event of a COVID-19 outbreak your child's camp group will have to be dismissed from camp and self-quarantine at home until further notice.

**ALL CHILDREN MUST BE TOILET TRAINED. CHILDREN MAY NOT WEAR PULL - UPS.** *Frequent accidents will result in a dismissal from the program.*

### **MEDICATION**

If your child takes medication regularly, please let the staff know. If possible we encourage parents to give their child the medication prior to camp. If your child needs to take medication during the camp day, staff must receive a completed medical permission form which is included in your packet. The form is also available on our website. Time and dosage of the medication must be indicated on the permission form.

## **BEHAVIOR REQUIREMENTS**

Discipline is carried out in a way to help your children develop self-control and assume responsibility for their own behavior. It is kind and gentle, yet firm. It is based on four overall rules:

- A. **A child may not disturb or hurt others, verbally or physically.**
- B. **A child may not damage equipment.**
- C. **A child may not place himself/herself in dangerous situations.**
- D. **A child needs to listen and respect staff.**

## **REMEDY PROCEDURES**

Staff will redirect the uncooperative child to another activity or redirect the entire activity into a more wholesome direction. Staff will encourage children to work out their own solutions. Staff will help children to understand one another's actions.

Staff will attempt to correct improper language. Sometimes we say "talk nicely". Excessive swearing, etc. will be addressed to both the parents and the child. Continued problems may result in dismissal for the day of the program.

One of our most reoccurring and disruptive problems has been name-calling and verbal conflicts between children. If this occurs children are given a verbal warning, followed by a time out separation, and lastly, if the problem persists the child could be suspended from the program.

Discipline is the responsibility of the staff as well as the parents. If there is an assessment of the child's pattern of unacceptable behavior the entire staff shall be made aware of it and cooperate in carrying out the specific plan developed for the child.

Day Camp has developed a program of written warnings for inappropriate behavior. The child will receive a written warning for inappropriate behavior (hitting, foul language, etc.) This will be signed by the child, parent and the staff member. On the third warning, after discussing it with you and your child, your child will be given an immediate suspension from Day Camp and no refunds given. Reoccurring problems could result in a permanent dismissal from any future Day Camp programs.

**If inappropriate behavior becomes severe, the programs practice of written warnings may not be used and suspension or discharge may occur immediately.**

## **COMMUNICATION**

Communication efforts will be implemented through a variety of ways. Letters from the Recreation Supervisor will be sent home, as important information needs to be addressed.

Talking to the staff on a daily basis is another means of communication. If you have any concerns please call the Recreation Supervisor, Kristen Morrison at 815-464-5579. You may also reach her at [kmorrison@frankfortparks.org](mailto:kmorrison@frankfortparks.org).

## DISCHARGE POLICY

A child may be discharged from Day Camp if any of the conditions outlined below arise. Discharge is the last alternative, but will be implemented if the problem poses immediate danger to the welfare of the participants and/or is a detriment to the quality of the program operation.

1. **Verification of falsified admission records. Incomplete or missing forms.**
2. **Participant's actions or activities endanger the safety of self and/or the other participants and staff of the program and newly established behavior management techniques fail. This includes inappropriate behavior, action or language.**
3. **Repeat violations of the transportation arrangements for the child, i.e. no phone call to the program when the child will not be in attendance.**
4. **Repeat violations of payment policies and due dates.**
5. **Repeat violations by the parents in picking up their child late.**
6. **The childcare needs of the participant are incompatible.**
7. **Parents/Guardians that cause a disruption by using foul language, violent behavior or verbal abuse towards participants or staff.**
8. **Any additional violations or concerns deemed unacceptable by the Day Camp Staff.**

## ADA

In compliance with the Americans with Disabilities Act and the Frankfort Park District will make all reasonable efforts to accommodate children with disabilities. Parents are encouraged to provide any related information to assist Day Camp in providing a quality service to the child. It is the responsibility of the parent/guardian to notify the Park District of any medical, physical and/or mental condition that may require special consideration. Confidentiality will be respected.

## INCLUSION SUPPORT

LWSRA is prepared to continue to provide the Inclusion support that is requested by current LWSRA participants. **At this time, LWSRA will not be accepting any new participants.** Per the CDC guidelines and State COVID-19 Mandates, below are the guidelines in place for inclusion support:
