

Covid Update Mask Update - Effective 5/29

In response to the recent CDC guidance on the use of masks indoors and outdoors, and in compliance with the Illinois Governor's Executive Order 2021-10, the Frankfort Park District is revising its mask use guidelines as follows:

Park District Facilities and Program Patrons:

- Individuals who are **fully vaccinated*** do not need to wear a mask indoors or outdoors at park district programs and facilities.
- Children ages 2 through 11 and all other individuals who are not fully vaccinated are required to wear a mask inside park district facilities.
- Children ages 2 through 11 and all other individuals who are not fully vaccinated are required to wear a mask outdoors while participating in park district programs if they are unable to maintain a six-foot physical distance from other individuals.
- The Splash pad has different facility-specific guidelines available at the facility and at <https://www.frankfortparks.org/parks-facilities/splash-park/>
- The IL DCEO All Sport Guidelines remain in effect and should be followed for those who are not fully vaccinated/or are under the age of 12.
- Patrons and visitors are expected to be truthful about their vaccination status and follow the mask guidelines in accordance with their current vaccination status.
- The Park District reserves the right to inquire about the vaccination status of persons entering park district programs and facilities, but will not keep a database, log or any other recording of patron vaccination status.

Park District Employees:

- Park District employees and contractors who are **fully vaccinated*** do not need to wear a mask if they are working with participants age 13 and older.
- Park District employees and contractors who are **fully vaccinated*** and working with children under the age of 12 may remove masks only when outdoors and able to maintain a six-foot physical distance from participants.
- Park District employees who are not fully vaccinated are required to wear masks at all times in district facilities and outdoors when unable to maintain a six-foot distance from patrons.
- Park District employees who are **fully vaccinated*** will provide proof of their status prior to working without a mask.

***Fully vaccinated** means having received both doses of Pfizer or Moderna or one dose of Johnson & Johnson, **plus a two-week waiting period after the last dose.**
