An application for admission, medical form, consent forms and personal questionnaire form must be completed before the child begins school.

A child may be discharged from school due to any of the following reasons:

- If it is determined that a child is disruptive, uncooperative or in any other way disrupts the other children or the program.
- If it is determined that the child's needs are not being met by the school.
- If by mutual agreement between the parent and the Directors that the child's adjustment to the school is unsatisfactory.
- If the parent does not comply with the policies of the school fees not paid on time, child not picked up on time, child not toilet trained, etc.

The Directors and the staff will work with the child and parent to attempt to arrive at an amicable solution. Discharge will occur as a last resort.

## **SCHOOL CALENDAR**

Our school year begins after Labor Day and continues until the third week in May. During the school year we follow the School District 157C calendar using the same holidays off. If 157C has a half day scheduled, the Preschool is still in session. The winter holiday break schedule may vary. The staff will keep you informed of all scheduled days off.

## **WEATHER-RELATED CLOSING**

During severe weather, we may contact you by phone or email to inform you of any cancelled preschool sessions. If you hear that Frankfort School District 157C schools are closed, then we will be closed as well. There will be no **make-up** days due to inclement weather related closings.

## **ARRIVAL AND DEPARTURE**

### **ARRIVAL AND DEPARTURE PROCEDURES**

- Before arrival, parents must do a health screening on their own child and be on the alert for any symptoms (fever, cough, shortness of breath, etc.) and keep children home if showing signs of COVID-19. Please take child's temperature

- daily. Staff members will also conduct their own screening.
- Staff will greet children outside as they arrive..
    - Parents will be given a large name card to be placed in their window/windshield at arrival/pick up.
    - Parents/Guardian and other guests will not be allowed in the building, unless there is an emergency.
    - A designated staff member will walk children to their preschool area, and at the end of the session, walk them back to their cars.
    - Staff should discourage congregation at arrival/pick up.
  - If possible, the same parent or designated person should drop off and pick up their child every day.
  - Hand sanitizer will be available at the entrance of the facility. Staff will provide guidance for the use of hand sanitizer (containing 60% alcohol) upon arrival and departure each day. Hand washing with soap and water as well as the use of hand sanitizer will be practiced frequently throughout the day.
  - All children must be picked up at the specified time or a late fee of \$25.00 will be charged after 15 minutes and \$1 per minute after 15 minutes.
  - If your child is being picked up by someone that is not on your authorized pick up list, you must send in a note with detailed information (name, phone, address) and that person will have to come in the building and sign your child out. Identification will be checked.
  - If you must take your child from school before the end of class, inform one of the staff members before leaving with your child.

## **CONFIDENTIALITY/RELEASE OF INFORMATION**

All information contained within your child's file and all conversations held with staff members concerning your child or family members will be considered confidential. The school is restricted by law from the release of confidential information by any individual, agency, school district, etc. without first obtaining permission from the parent/guardian to do so. In the event such a need arises, a written authorization from the parent/guardian will be required before confidential information is released. (Exception: If a case of child abuse or neglect is suspected and reported, proper authorities have legal access to a child's file with or without parental consent).

You will be asked to sign a release giving permission in writing for a child to be photographed for purposes of display at the school or for Park District publicity. This Consent/Release form is part of your initial paperwork that must be completed and returned before school starts.

## **CLASSROOM POLICIES & PROCEDURES**

### **DISCIPLINE**

Children will be encouraged by staff to display appropriate behavior through positive tones of voice and praise. Inappropriate/disruptive behavior will be met with verbal

reminders of appropriate behavior and/or redirection to another activity. If disruptive behavior continues, the child will be placed in a “time out”. The child will then return to the group. The “time out” period will not exceed 5 minutes. Serious, inappropriate or disruptive behavior will be reported to the parents.

## **COMMUNICATION**

A monthly newsletter and calendar will be sent home the last week before the new month. Email blasts will be sent out on certain occasions. The Directors and staff want to keep parents informed of their child’s activities. A staff member is always available to answer questions a parent may have about their child, curriculum or school policy. You may request a conference at any time. We will gladly listen to and discuss any questions, concerns or comments.

## **CLASSROOM VISITATION** *(Visitation policies may be updated due to Covid-19)*

We have an open door policy concerning visitation from our parents. In upstairs classes, parents will also have the option to look in on your child without them seeing you. The window in the upstairs hallway is only a window on the hallway side and a mirror on the classroom side. Downstairs we have small bi-fold doors in the kitchen, which will open to 2 downstairs rooms. Visiting too frequently may disrupt a child’s practice of separation and independence from parents/caregivers. Preschool staff will inform parents as these situations occur.

## **BIRTHDAYS** *(Birthday snack policies may be updated due to Covid-19)*

School year birthdays will be celebrated close to the actual day. Summer birthdays will be celebrated as a special day near the end of the school year. One of your snack days will fall on this day. Party favors/bags are not necessary. Please do not ask your teacher to hand out birthday party invitations unless you are inviting the whole class. **Also.** **Please do not send in cupcakes or cake, as it tends to be very messy.** Thank you.

## **PARENT VOLUNTEERS** *(Volunteer policies may be updated due to Covid-19)*

Starting in mid-September we will have sign-up sheets for parent volunteers. On this day, you might be asked to do preparation work for upcoming projects or you may be asked to help the children with classroom activities. Helping is not a mandatory requirement of school parents, but it is very much appreciated. A **Volunteer Waiver** will need to be completed by anyone who volunteers in the classroom.

## **PERSONAL BELONGINGS**

Children should be discouraged from bringing personal belongings from home except on specific “show and tell” days. If an item is brought from home, it should be clearly marked with the child’s name. The school cannot assume responsibility for loss or damage to any personal belongings the children bring to school. Candy, gum or toy weapons are NOT ALLOWED in school.

## **CLOTHING**

Children should be dressed in comfortable, simple, washable clothing allowing them to creatively engage in a variety of activities. All personal belongings must be labeled, including schoolbags, jackets, boots, hats, mittens, scarves, etc.

If your child has an accident at school, a change in clothing will be supplied. Please wash the clothes and return them with the exception of underwear.

Pull up-type diapers are not acceptable (except for Wee Works). All children must be toilet trained. The staff does understand that occasional accidents may occur. Frequent accidents may result in a temporary suspension from the program, until potty training issues are worked out.

## **CHILDREN'S SCHOOLWORK**

Frequently your child will be bringing home their school papers and projects. They are usually anxious to share their work with the family. Please always praise and encourage your child. Homework is not mandatory but it will occasionally be sent home to help reinforce letters, numbers, etc. Completed homework assignments will be rewarded.

## **RELIGIOUS INSTRUCTION**

There is no formal religious instruction offered at the school. We do stress good manners, kindness and respect for all children of different religious backgrounds.

# **HEALTH/MEDICAL INFORMATION**

## **SNACKS – FOOD ALLERGIES** (*Snack policies may be updated due to Covid-19*)

Throughout the school year you will be assigned a day to send a snack and juice or milk for all the children in the class. **NO NUT PRODUCTS PLEASE!**

If your child has food allergies, the school must be made aware of this fact. A list of all foods to which your child has shown sensitivity to must be given to the school at the time of registration. The list will be posted in your child's classroom. If your child is on a special diet due to medical reasons or religious beliefs, a written notice regarding the above must be given to the school upon registering.

## **INSURANCE**

Liability and medical expenses due to accidents that may occur while the child is enrolled in the Frankfort Park District Preschool is the responsibility of the parent.

## **HEALTH**

Each child must present a completed medical form signed by his/her doctor prior to the first day of school. It will be good for as long as your child is a student in our preschool (multiple years).

Children will be sent home from school if the child is determined ill by preschool staff members. For the protection of all the children, your child must be kept at home or will be sent home if he/she shows any of the following symptoms:

- Elevated temperature in the past 24 hours
- Intestinal disturbances, accompanied by diarrhea or vomiting within 12 hours of school
- Any undiagnosed rash, especially a “weeping” rash
- Sore eyes or ears or discharge coming from eyes or ears
- Profuse nasal discharge.

Keep children at home with active colds.

If your doctor has prescribed an antibiotic for your child, please make sure he/she has been on the medication at least 24 hours before returning to school.

Communicable diseases such as COVID -19, chicken pox, strep throat, etc. should be reported to the preschool staff.

## **COVID – 19 POLICIES & PROCEDURES**

- All students will be required to wear a face covering unless otherwise directed by a physician. Mask breaks will take place. For those who cannot wear a mask for medical reasons, a ***“Face shield” will be required with a doctor’s note.***
- Social distancing at least 6 feet apart when possible.
- Washing hands and hand sanitizing before and after activities.
- Increase school wide cleaning and disinfection.
- Shared equipment will be limited and cleaned frequently.
- Parents/Guardians access to the facility will be limited to reduce exposures.
- Policies may be updated as IDPH guidelines change.

### **If a child becomes ill at school...**

1. He or she will be isolated under the care of a staff person.
2. You, the parent or guardian, will be contacted at once to pick up your child.
3. Your emergency contacts will be called if you cannot be reached.

A doctor’s signed explanation may be required to allow a child with a contagious or communicable illness to re-enter school.

## **MEDICAL CARE**

If a child receives a minor superficial wound or injury while at school, the staff will administer first aid. Such injuries are bumps, bruises, cuts, scratches, splinters and nose bleeds.

If a child receives an injury or illness that calls for emergency medical attention, the Frankfort Fire Department (911) will be called. If necessary, the child will be transported

to the nearest hospital by ambulance. A staff member will accompany the child. The parent or guardian will be contacted immediately after 911 has been called. If the parent or guardian cannot be reached, the emergency names will be contacted. Emergency contacts other than the Parent/Guardian must be included on Preschool paperwork in order to attend the Frankfort Park District Preschool Program.

If a parent's religious beliefs prohibit medical attention, the parent will inform the school of procedures to be taken in writing prior to enrollment.

The Frankfort Park District staff will not administer any medication to a participant until the Permission and Waiver to Dispense Medication Form and Medication Information Form have been fully completed by a parent or guardian.

## **STARTING SCHOOL**

### **QUESTIONNAIRES AND PHYSICALS**

Please complete the required information and permission forms and return them along with the doctor-signed health form, to the main Park District office at 140 Oak Street as soon as you can. **ALL FORMS MUST BE TURNED IN TO THE OFFICE BEFORE YOUR CHILD CAN START SCHOOL.** If you misplace your forms, please stop by the Park District office (140 Oak Street) to pick up new forms.

### **ORIENTATION DAY**

Your invitation lists the day and time of your child's first day of school. At this time your child will meet their teachers and their new classmates. This is also a time for the Directors to talk to the parents about scheduling, policies and procedures. Questions are always welcomed. This orientation will take about an hour. Your next scheduled class time will be a regular session. We recommend you bring your child's school supplies on orientation day.

### **FIRST TIME MOMS AND DADS**

On the first day of school, if your child starts to cry when you leave, please take a deep breath, kiss your child, and bravely hand them to the teacher and leave. This will feel like the hardest thing you ever had to do, but it will get easier for the both of you with time. You may go out to the parking lot for a few minutes, then come back and check on your child. Most children will be fine after a few minutes of comfort from a teacher. If we cannot comfort your child, we will call you.

### **CANCELLATIONS**

If your child will not be attending school, please notify us before July 1<sup>st</sup> so that we can fill your child's place with a waiting list name. Unfortunately, the \$50 registration fee paid previously is non-refundable.
