Playing Time

1. Every player must play a minimum of two quarters or half the game.

NOTE: This is a recreational league; participation must take precedence over winning. In a recreational league the purpose is to provide the participants with the opportunity to play and learn the sport. Therefore it is recommended to all coaches that each player be allowed to play an equal amount of time.

Jump ball will start each game, then alternating possession based on the possession arrow will determine which team gets the ball to start the next possession. A jump ball shall begin any overtime period.

Defenses

2. The 5th-6th and 7th-8th grade divisions will be allowed to use man-to-man or zone defenses.
3. A defender can pick up a dribbler at half court only after the ball and his/her feet have crossed center court line. EXCEPTION: This would not apply in the last two minutes of the 4th quarter of the 5th-6th grade division as pressing is allowed in the last 2 minutes of the 4th quarter and also the last minute of any overtime sessions in that division. No team is allowed to press if they are leading by 15 points or more. No full court press at any time in 1st-2nd and 3rd-4th grade divisions.

Fouls

1. Players in the 1st-4th Grade will be called for fouls but cannot foul out of the game. 5th-6th Grade players will be allowed 5 personal fouls; on the fifth foul the player will have to leave the game. Technical fouls will count towards the players five foul limit.
2. Free throws will be shot on the 7th team foul (in a half) one shot plus the bonus, after the 10th team foul (in a half) players will shoot two shots. 5th-6th Grade will shoot from the designated free throw line while the 3rd-4th Grade will shoot from a mark closer to the basket if unable to shoot from the 15-foot free throw line.

Technical Fouls

1. Coaches or players using profanity or displaying unsportsmanlike conduct will be given a technical foul. A second technical foul given to a player or coach in the SAME GAME will result in an ejection from the game and field house. One ejection=1-game suspension (minimum); two ejections=future disciplinary actions ranging from suspension to removal from the league with no refund. A player that has been suspended may not attend his team's games until his suspension is served.
2. An accumulation of four technical fouls throughout the season will result in a minimum one-game suspension. Any further technical/flagrant fouls will result in more disciplinary action.

Three Point Rule

Unsportsmanlike conduct includes, but is not limited to, disrespectfully addressing the referee, attempting to influence the referee's decision, banging on the bleachers or yelling at a player during free-throws.
We teach good sportsmanship among the participants so please help to reinforce these lessons. Respect the Referees calls and remember why we're all here.
2. In response to unsportsmanlike conduct the following action may be taken:
 1. A stoppage of play with a warning to the head coach
 2. A technical foul awarding two points and the ball at half court

Coaches who are given a technical foul during the course of a game may be replaced. Coaches need to show the players the importance of good sportsmanship and if that is not happening then we reserve the right to replace him/her with another coach
