

Sponsor Spotlight

Photo: Phillips Chevrolet General Sales Manager Brian McMahon and Phillips Chevrolet General Manager Mike Maheras

Phillips Chevrolet has 3 locations that are located in Frankfort, Lansing, and Bradley. They have Illinois' largest Chevy inventory. We are proud to highlight Phillips Chevrolet and their amazing support for our 2023 Fire Starters Fall Soccer League and 2023-24 Youth Basketball League.

Fire Starters Spring Soccer League is starting now. Phillips Chevrolet has generously continued their support by sponsoring the 2024 Spring Soccer League. We recently went to visit them in their Frankfort location to present them with team jerseys bearing their logo, the banner that hangs in our gymnasium, and plaques thanking them for their sponsorship, dedication, and support for these leagues. Their showroom is always busy, but also very warm and inviting. You are greeted the minute you walk in, and their team members help you in any way they can.

Fire Starters Soccer League has two leagues throughout the year; a Spring (April-May) and Fall (August-October). These outdoor Leagues are designed for boys & girls aged 4 yrs. through 6th grade. Both programs are 8-week leagues that consists of eight practices and seven games.

The Frankfort Youth Basketball League is a twelve-week league that is designed for boys & girls in grades 1st-8th. Our soccer and basketball leagues teach participants the fundamental skills needed to play. In addition, children will interact with peers and coaches, play in games, learn good sportsmanship, and how to work as part of a team. Our Youth Basketball League just ended in mid-March.

Thank you, Phillips Chevrolet, for your continued support and contributions to our programs and community. We appreciate all that you do!
