Youth Basketball League FAQ's

- **I would like to coach. What do I do?**
 - Volunteer coaches may indicate interest in coaching on the participant registration form.
 - Coaches will then register online and complete a background check at <https://www.teamsideline.com/frankfort>
- **When will I know my son and /or daughters team?**
 - When team sites are published you will receive an email with an invite to view your participant's team information.
 - Please be sure that you provide your most current email as most information will be sent through our TeamSideline App.
- **When will I find out practice and games schedules**
 - Practice schedules will be published on TeamSideline one week prior to the first scheduled practice.
 - Game schedules will be released two weeks prior to the first scheduled game. Games begin in January.
- **Why are there skip days in the season?**
 - We are fortunate enough to have intergovernmental agreements with the school district. This allows us to use their gymnasiums around their schedules, thus causing skip days.
- **What does my child need to bring/wear to practices and games?**
 - Please be sure to only wear nonskid gym shoes to all practices and games.
 - Water fountains are available at all locations, but water bottles are encouraged.
 - Basketballs will need to be brought to practices, but not to games.
- **Why are you not taking friend requests anymore?**
 - Every season, we receive an abundance of requests to be on friend's teams. This makes it harder to keep teams from "stacking" their teams with players who may have more experience. Eliminating these requests encourages children to play with other children and learn together.
- **If my child decides not to participate, will I get my money back?**
 - Participants may withdraw at any time however, refunds will only be issued if the withdraw request is made before the registration deadline or if a doctor's note is provided proving the participant is physically unable to participate. Registration Deadline is November 6.
- **I am not happy with my team, and I approached another coach asking to join his team. He said it was fine to add an additional player to his team...why are you not letting me move?**
 - Teams were already made. All shirts were ordered specifically for your child on the correct team. This is a recreational program, so we cannot be adding or re-arranging players without Recreation Supervisor consent.
- **When is picture day?**
 - Picture day is scheduled for Saturday, February 28th at the Founders Center. Pictures take place prior to game start. Teams will receive picture schedules, closer to the above date.
- **TeamSideline**
 - The Frankfort Park District will be using the TeamSideline App to communicate with parents and coaches.
 - Please see the attached sheet for more information on TeamSideline App and how to create an account.
- **Weather Updates & Cancellation Policy**
 - When weather is questionable notifications will only be sent out for cancellations. During questionable weather the Park District will send notices no later than one hour prior to the first scheduled event.
 - Cancellation Notifications will be sent out through Teamsideline.
